EASTGATEH2V

Clean Hydrogen Partnership

Hydrogen is here.
In the heart of Europe.

The first integrated Hydrogen Valley in Eastern Europe.

EASTGATEH2V connects 20 partners from 7 countries to build a green hydrogen ecosystem.

The project covers the full hydrogen value chain – from green production and storage to applications in clean transport, industrial decarbonisation and energy innovation.

- **4 MW** green hydrogen production
- **Clean mobility:** hydrogen buses, trucks, boats
- Hydrogen-powered **innovation** in industry and aviation
- 7-country **collaboration** including strategic ties with Ukraine
- Building Europe's next generation of **hydrogen professionals**
